

## Two Holes Anti Vibration System Stainless Steel Carbon Steel Frame Fasteners

Our Product Introduction

for more products please visit us on [channel-fittings.com](http://channel-fittings.com)

### Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: HENG TONG
- Model Number: LS-12A
- Price: \$1.00/pieces 1-2000 pieces
- Packaging Details: packed in cartons, cartons packed in pallets
- Supply Ability: 500000 Piece/Pieces per Month

### Product Specification

- Material: ZINC, Carbon Steel, Carbon Steel
- Type: Seismic Connectors
- Size: 41\*52\*6mm
- Surface Treatment: Zinc Plating
- Certificate: ISO9001:2008
- Packing: Pallet
- Application: Ship
- Port: Shanghai
- Highlight: **Two Holes Anti vibration System, Anti vibration System Stainless Steel, carbon Steel Frame Fasteners**

## Product Description

High Quality Two Holes Anti-vibration System Stainless Steel/carbon Steel Frame Fasteners

Anti-vibration systems are designed to withstand harsh operating conditions, including high temperatures, corrosive environments, and heavy loads.

They are crucial in minimizing the risk of structural damage or failure caused by excessive vibrations, ensuring the safety of personnel and assets.

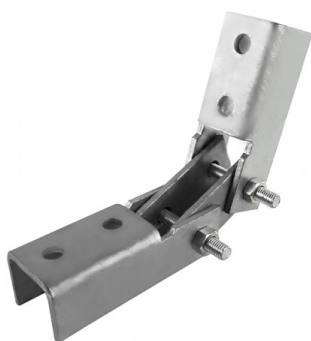

Anti-vibration systems are extensively used in the transportation industry to reduce vibrations in vehicles, improving ride comfort and stability.

## Product Parameters

Product Name	High Quality Two Holes Anti-vibration System Stainless Steel/carbon Steel Frame Fasteners
Material	Carbon Steel Q235
OEM	Available
Stabilizer External Dimension	41*52*6mm

## Product Description

## Main Products

Anti-vibration System

Beam Clamp

Brackets

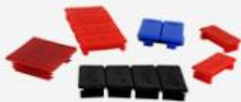

Channel

General Fittings

Pipe Clamps

Plastic End Cap

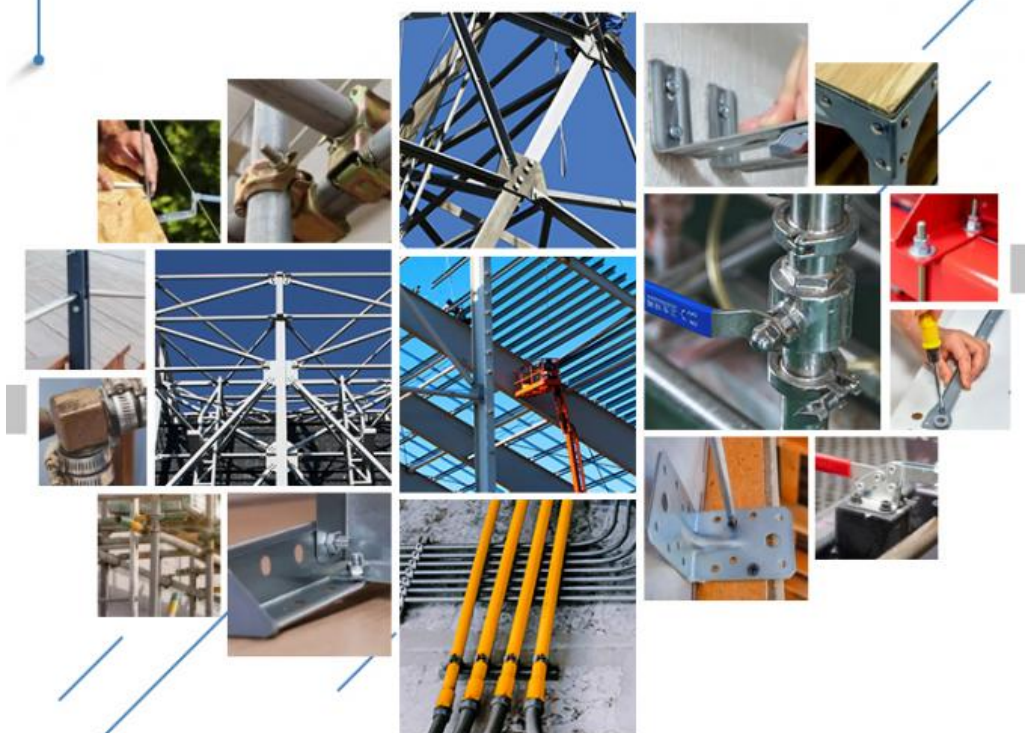

Spring Nuts

Stainless Steel Trim
