FAQ

Q:What's your MOQ?

A:Normally our MOQ is 1pc,but sometimes maybe we have other order on hand, It will be a little small. So MOQ can be negotiated.

Q:Are you a trading company?

A:We do trade . Also we have our real factory , and our factory has pass ISO-9001 , we have good quality control.

Q:Do you accept customized?

A:Yes , we have different customer make their own OEM product.

so we also can make product as per your requirement.

Q:How long can I expect to receive my goods after I place order?

A:Our production time are always 20-25 days after pre-production sample confirmation.

Q:Can I get some samples before place order and how long for a sample?

A:No. Because our product is big and high price.

Q:How is your shipping?

A:1) shipping by express (sample order) or by sea(bulk order)

2) worldwide shipping service available

3) please contact before order as shipping cost varies time to time.

Q:Will you have some discount?

A:1) To clients who bring repeat orders and large orders

2) Please contact us for Better Quote.
